

HARBOR HOUSE™

LIBATIONS

Much like how our food revolves around local farmers, ranchers, and our immediate surroundings, our wine list, too, focuses on small growers and producers from around the world. Our goal is to feature vintners who perform their craft with the utmost passion and care. We want to convey a certain sense of responsibility with our food, and in turn extend that to the wines we offer. Our selection has been thoughtfully curated to feature wines that show purity, elegance, and charm. We find this is best achieved by only subtle enhancements by human hands. At their best, wines capture an honest snapshot of both the time and place they come from. We strive to offer wines that provide glimpses that in some strange way, also reflect the inspirational wild ocean and mountain landscapes that surround us.

BEVERAGE PAIRING

195

We strive to pair our full experience menu with terroir-driven pours, with a primary focus on international wine, and the addition of sake. Our wine selections include a collection of hand-crafted, local, sustainable, small production wines, poured alongside iconic wines of the Old World.

NON-ALCOHOLIC BEVERAGE PAIRING

75

A selection of non-alcoholic, seasonal ingredients, and house-made elixirs. As the year progresses we capture the season in various ways; through fermentations, vinegars, and tinctures. This is the backbone of our non-alcoholic pairing.

SPECIAL CLUB

In 1971 a group of 29 small champagne growers banded together to create their own classification of champagne. These growers wanted to show they could create the same quality vintage champagne as the famous houses of Champagne. They set out and established some of the most rigorous standards of winemaking and farming in order to be called Special Club, including a double blind tasting done by all the club growers.

Jacque Selosse

Arguably one of the most important Champagne winemakers in the past 100 years, Anselme Selosse revolutionized the modern champagne. Bringing burgundian focus of vineyard specific terroir and farming practices to an area of larger house production and farming. Selosses wine pushes the limits of oxidation and depth while displaying a vibrancy that has influenced a new generation of Champagne grower producers.

A NEW WEST COAST WINE MOVEMENT

A collection of wines from across the west coast of the United States made by winemakers looking to change the status quo of the wine we consume. Through planting unique, old world varietals or embracing traditional farming and winemaking methods these wines show a different side to what we have long known as the wines that grow here. From the rolling hills of Northern Sonoma County to the volcanoes of the Columbia Gorge these wines explore and push the boundaries of the conventional wine.
