HARBOR HOUSE®

LIBATIONS //

Much like how our food revolves around local farmers, ranchers, and our immediate surroundings, our wine list, too, focuses on small growers and producers from around the world. Our goal is to feature vintners who perform their craft with the utmost passion and care. We want to convey a certain sense of responsibility with our food, and in turn extend that to the wines we offer.

Our selection has been thoughtfully curated to feature wines that show purity, elegance, and charm. We find this is best achieved by only subtle enhancements by human hands. At their best, wines capture an honest snapshot of both the time and place they come from. We strive to offer wines that provide glimpses that in some strange way, also reflect the inspirational wild ocean and mountain landscapes that surround us.
